The titles of the first division of Books (Books proper) are prepared in the Catalogue Department of the Library of Congress, and are complete bibliographical titles of all books received at the Library of Congress under the operation of the copyright law.

This catalogue of copyright entries is distributed by the Treasury Department, and may be subscribed for at the rate of \$5 per year (for 4 volumes of about 1,000 pages each) through the nearest collector of customs. *The Librarian of Congress can not take subscriptions*, but a sample copy of the catalogue may be obtained upon request preferred to the Librarian of Congress.
